Admission Requirements for International Students

- Documented, strong academic work, received on an official transcript from all appropriate and prior schools.
- Documented adequate financial support, readily accessible within the USA.
- Documented English language abilities. [This may include national language, mother tongue,

language of prior degree or secondary school study, or appropriate IELTS or TOEFL scores. For further information see English for Academic Purposes. SUNY Oswego's TOEFL code is 2543.

If English is not your documented mother tongue, or documented language of academic instruction, a TOEFL score of 550PBT/213CBT or an IELTS score of 6.0 or documentation of appropriate English language competency is required.

English for Academic Purposes Program

Program Description: The English for Academic Purposes program is specifically designed for ESL undergraduate and graduate students as well as exchange students to improve and develop their academic English language proficiency. Each course is a three-credit course and each course counts towards graduation.

Undergraduate Degree Requirements: For undergraduate degree programs, students require minimum TOEFL scores of 213 on the Computer Based Test, or 6.5 on the IELTS to register for courses in fall or spring semester.

Students with TOEFL scores between 173-210 or IELTS bands from 5.0-6.0 will be registered into credit courses in the Summer Intensive English Program to improve and develop their academic English language skills. In the fall semester, students with TOEFL scores below 213 or IELTS below 6.5 will be registered into four English for Academic Purposes courses that count towards graduation.

MBA Program: Students interested in the graduate MBA degree will be required to submit GMAT verbal and written scores as well as IELTS or TOEFL scores. Applicants with computer based TOEFL scores between 200 - 220 or 5.0 - 6.5 on IELTS will be required to enroll into courses that will improve and develop their academic English language skills.

Depending on their level of English proficiency, students will be registered into one or both of the following options:

- Courses in the summer Intensive English Program, or
- EAP courses in the fall semester.

If you would like more information about the EAP program, or if you would like to know if you will be

required to take EAP courses, send an email with your questions and IELTS or TOEFL scores to esl@oswego.edu.

About SUNY - Oswego

At SUNY Oswego, we foster liberal and professional learning in a dynamic, interactive and supportive environment. SUNY Oswego offers an opportunity for students to pursue unlimited horizons. With a student body of 8,500 learners, we are large enough to offer more than 100 programs of study yet small enough for students to form quality relationships with each other and caring faculty.

School of Business

Our learner-centered approach stresses quality education and experience inside and outside the classroom on our scenic, 690-acre lakeside campus. Students pursue bright futures through programs in our College of Arts and Sciences, School of Business, and School of Education – as well as innovative interdisciplinary programs that cross traditional boundaries. Oswego opens a front door on the future with internships and study abroad opportunities that consistently rate among the highest in the SUNY system.
