- **Email:** It is very important that you provide us with an active email. If your email changes after you submit your application, please contact us. We will continue to keep in touch with you, through the application process, via email. This is our primary method of communicating with international students!
 - **Major:** Indicate your intended major. Check only one major unless you are interested in Education or Legal Studies. (Both programs have a double-major requirement.) If you would like to double-major, you may declare a second major after you have enrolled at RWU. If you do not select a major, you will be considered for Undeclared Arts and Sciences.
 - **Essay:** Submit a 250-500 word essay on a topic of your choice.
 - **Secondary School (high school) Transcript (scholastic records):** Submit your most recent official transcript.
 - **English Translations:** If your transcript is not in English, please provide word-for-word English translations. These translations do not need to be official, but they do need to be literal.
 - **SAT or ACT scores:** Students attending a U.S. school, or an American International school outside the U.S., are required to submit SAT/ACT scores. (CEEB #3729)
 - **Test of English as a Foreign Language (TOEFL) scores:** RWU does not require the TOEFL. However, if you have taken the TOEFL, please submit these scores.
 - **Advanced Placement/International Baccalaureate Results (if applicable):** Submit official results.
 - **Letter of Recommendation:** Submit at least one letter from a school (secondary/college/university) official.
 - **Program-Specific Materials**
 - **Architecture and Visual Arts Studies:** Applicants must submit an 8-12 piece portfolio of two- and three- dimensional work showing evidence of creative ability. The portfolio should consist of a simple 8-1/2" x 11" folder containing reproductions of original design projects recently executed. This work may be reduced or photographed. The University will not return portfolios.
 - **Dance:** Applicants must schedule an audition or submit a performance video.
 - **Graphic Design:** Applicants must submit an 8-12 piece on slides, CD, or samples. The University will not return portfolios.

 - All applicants are considered for merit-based scholarships through their admission application; no separate application is required.
- Additional Steps for International Students**
- **Financial Statement:** Submit documentation showing financial support for the annual costs of study (tuition, fees, and living expenses). This information is NOT needed to make an admission decision and may be submitted after acceptance and after the student has decided to enroll at RWU. This information is required to issue the I-20 form. Proof of financial support can be submitted by completing official bank statements/certificates or by completing the RWU International Student Financial Statement.
 - **Your Name:** Write your name on the application exactly as it appears on your passport, as it is important that all your immigration documents match.
 - **Your Address:** Enter a non-U.S. address in Permanent or Current Address. We are required by U.S. immigration law to track a permanent foreign address.
 - **Dates:** Keep in mind that in the U.S. we write dates as "month/day/year."
